Believe in the possibilities.

Registration

Non-Gannon Students who are in good academic standing at their current colleges or universities are welcome to attend Summer Sessions. They need to submit written approval for course enrollment from their home college or university and complete the Gannon University application and registration form.

GUXpress Registration Instructions for Current Students

You can access GUXpress through Gannon's home page under 'Current Students' or go directly to my.gannon.edu. Select 'GUXpress,' then 'Student Registration,' then 'Register for Sections.' Click on 'Search and Register for Sections' or 'Express Registration'. When you complete your registration click on 'My Class Schedule' to verify that you are registered.

You cannot register on GUXpress for courses requiring written permission. This includes courses that require director or instructor permission as well as written permission to register for a closed course. Register for all other courses on GUXpress then bring the written permission to the Registrar's Office after you register on GUXpress.

Students who choose not to register on GUXpress can come to the Registrar's Office to register. You should fill out the registration form with your choice of courses and have it signed by your advisor. The Registrar's Office cannot process registrations without the advisor's signature on the registration form.

Course Load for undergraduate students should be no more than two courses (generally 6 credits) for each session.

Course Changes-Add/Drop: Schedules can be changed on GUXpress or in the Registrar's Office. When using GUXpress, a schedule can be changed online up till midnight the night before classes start. After this period of time, all schedule changes must be made in the Registrar's Office, as GUXpress will not process the schedule change request. Change of schedule forms are available in the Registrar's Office and the Academic Deans' offices.

Prerequisites: Many courses listed have prerequisites. Please check on GUXpress and make sure that you meet the prerequisite(s) indicated by the department. The Director's written permission is needed to register for a course if you do not have the prerequisite.

Withdrawal Grades – Students can drop a course and receive a withdrawal (X) grade before 60% of the course is complete. When a student stops attending a course and does not properly withdraw from the course, the student may be subject to receiving a grade of "F" for the course. The student will receive an "F" grade for the final grade if non-attendance continues.

The last day to withdraw from a:

- 2 week 'A' session course that starts May 7 is May 14.
- 5 week 'B' session course that starts May 21 is June 11.
- 5 week 'C' session course that starts June 25 is July 16.

Contact the Registrar's Office for withdrawal dates of courses with different starting or ending dates.

General Information

Blackboard Learn: Blackboard Learn: Prior to registration, students should verify that they have the necessary settings and plug-ins installed on their computer. To check your settings and plug-ins please access GU Blackboard Learn and follow the links in the 'Supported Technologies' module on the 'Help' tab. All students registered for an online course will need a Windows computer with Internet Explorer (11+), Chrome (36+) or Firefox (31+) or an Apple computer with Safari (6+), Chrome (36+) or Firefox (31+) and at least a 56K dial-up connection to the Internet.

To learn how to use GU Blackboard Learn, use the self-paced Blackboard Learn course: 'Blackboard Student Orientation'.

To access GU Blackboard Learn log into <https://my.gannon.edu> with your campus wide ID (i.e. smith008) and standard password and click the 'GU Blackboard Learn' icon in the 'My Applications' web part. Call the ITS Helpdesk at 871-7501 if you have any problems.

Dining Facilities

Doc's Landing located in the Waldron Center will be open during the Summer Session Monday thru Friday, 7:15 a.m. - 2:00 p.m.

Library

In addition to physical and electronic learning and information resources, the newly-renovated Nash Library & Learning Commons provides a wide variety of study spaces for groups and individuals as well as academic support at the Writing & Research and STEM Centers. A cafe and technology helpdesk are also located inside.

Summer On-Campus Housing is available for students enrolled in summer courses, University sponsored internships, and non-mandatory collegiate athletic commitments. Students in need of summer housing for Gannon-sponsored activities may request housing through an application process. Their request will be reviewed then approved or denied by Office of Residence Life staff. The location of summer housing may vary from summer to summer and will be stated on the application, which is available in early March of each spring semester. Summer housing leases extend from the beginning of the summer session for which you are enrolled until 24 hours after the end of your last summer session class. Nontraditional arrival and departure dates need to be listed on the application and approved by Office of Residence Life staff. Any student wishing to apply for on-campus housing for any summer session should contact the Office of Residence Life at 814-871-7564 or via email at reslife@gannon.edu.

Transcripts

The student's authorization and signature are needed to release a transcript. Students have two options for requesting transcripts:

1. Complete and sign a Transcript Request Form and submit it to the Registrar's office. Official transcripts must be mailed directly from the Registrar's Office to the party requested. All transcripts given directly to the student will be stamped "issued directly to student".
2. Order or send transcripts online through the National Student Clearinghouse at www.getmytranscript.com. At this site, you can either submit an order request for Gannon to fulfill or you can have your transcripts emailed to any authorized recipient. Minimal charges apply for the online services.

Official transcripts of credit earned at other institutions which have been presented for admission or evaluation of credit and have become a part of the permanent record in this office are not reissued or duplicated for distribution.

Trip YELLOWSTONE NATIONAL PARK

Annual Summer Biological Travel Study Trip

June 19 to June 29, 2018

Open to all Majors

This Gannon: Inspired Faculty-led Travel (GIFT) course will examine many aspects of Yellowstone National Park. Topics to be covered include grizzly bears, wolf reintroduction, impact of fires, geysers and past volcanic activity, geological history including earthquakes and the herbivores of the park (bison, moose, antelope and elk). One day will also be spent at the Museum of the Rockies in Bozeman reviewing their dinosaur exhibit and getting a behind-the-scenes tour.

Professors Steven J. Ropski and Melanie Gustafson-Ropski will conduct the class.

The program will be joined by experts in each area who will spend time with the class. The tentative schedule includes Rick McIntyre, Park Naturalist/Ranger (grizzlies/fires); Doug Smith, Resident Yellowstone Park Naturalist/Researcher (Wolf Reintroduction Program); and Maury Irvine, Resident Paleontologist, Museum of the Rockies.

Cost of \$2,300.00 includes round trip air fare from Pittsburgh, textbooks, handouts, lodging, some meals, entrance fees, and transportation in the park. (Cost for graduate or undergraduate credits not included.)

Contact: Prof. Steven J. Ropski at 814-871-7637 or Mrs. Ropski at 814-871 7790

Note: Gannon tuition for the course must be submitted before departure.
