## **Gannon University Annual Fire Safety Report**

The Higher Education Opportunity Act became law in August 2008 and requires all United States academic institutions to produce an annual fire safety report outlining fire safety practices, standards, and all fire related on- campus statistics. The following public disclosure report details all information required by this law as it relates to Gannon University for the year 2011. All of the University Housing facilities have fire alarms systems monitored 27/7 by the University Police and safety office.
