

## Computer Based Miller Analogies Test – Registration Procedures and Form

- Description:** The computer based Miller Analogies Test consists of 120 analogies and is sixty minutes long. The test is administered on Tuesdays, Wednesdays, and Thursdays at 9:00 am or 1:00 pm.
- How:** To schedule a computer based test, contact the Career Development and Employment Services Office (CDES) at (814) 871-7680. Complete the registration form below and return it with a check or money order for **\$60.00**. The check should be made out to Gannon University and received by our office **no later than one week prior to your test date**. Call (814) 871-7680 with any questions.
- Fee:** The fee of \$60.00 entitles you to take the MAT and have your scores sent to three schools – please bring complete school addresses including zip codes. **Note:** You are entitled to these three score reports only if you specify the institutions when you take the test; all subsequent reports are \$25.00 and must be requested from the Psychological Corporation.
- Scoring:** The MAT is scored by the Psychological Corporation in San Antonio, TX. Your score will be sent to you and the schools you designated in approximately three weeks. The score report sent to you is not considered an official report and may not be used to report your score to an institution to which you are applying.
- Location:** Please report to **Room 1040** in the **A. J. Palumbo Academic Center, 824 Peach Street**. **You must bring two forms of ID – one must be a photo ID**. Your registration form and check should be sent to **Career Development and Employment Services, Gannon University, 109 University Square, Erie, PA 16541**.
- Rescheduling/ Cancellations:** To reschedule or cancel a test date and receive a refund, you must contact the Career Development and Employment Services Office at (814) 871-7680 by 1:00 p.m. the day before your test date.
