

To determine if you will be eligible for additional unsubsidized Stafford Student Loan funds due to a parent denial for a PLUS loan for the upcoming 2009-10 academic year, we must obtain a current PLUS denial. This is an annual requirement.

If you would like us to initialize the PLUS denial process, please have a parent complete the information below and return it to the Financial Aid Office as soon as possible.

Gannon Financial Aid Office
109 University Square
